Senem Güney, Faculty Fellow, Presents Paper on IT Governance at Academy of Management Annual Meeting

Senem Güney , Faculty Fellow at CTG and Assistant Professor, Department of Informatics, University at Albany, presented a paper on the "The Emergence of IT Governance as a Communicative Process of Organizing" at the annual meeting of the Academy of Management.

This is the largest international conference in the field of organization science. It was held on August 6-10, 2010 in Montreal, Canada. The co-authored paper (Güney & Cresswell), which came out of CTG's Creating an Enterprise IT Governance Framework project, was presented at a cross-divisional panel session.
